Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 10, 2014, the Board of Directors (the “Board”) of Newpark Resources, Inc. (the “Corporation”) increased the size of the Board to eight members and elected Mr. Anthony J. Best and Mr. Roderick A. Larson to fill the vacancies created by the increase.

Mr. Best is currently the Chief Executive Officer of SM Energy Company (NYSE: SM), an oil and gas exploration and production company headquartered in Denver, Colorado. Mr. Best joined SM Energy in June 2006 as President and Chief Operating Officer. On February 23, 2007, Mr. Best was elected Chief Executive Officer of SM Energy. Mr. Best was appointed to the Board of Directors of SM Energy concurrent with his appointment as Chief Executive Officer. Prior to that, he served as President and Chief Executive Officer of Pure Resources, Inc., a subsidiary of Unocal, engaged in an oil and gas consulting practice and worked in a variety of positions with ARCO.

Mr. Best holds a B.S. degree in Mechanical Engineering from Texas A&M University and an M.S. degree in Engineering Management from the University of Alaska.

Mr. Larson has been Senior Vice President and Chief Operating Officer for Oceaneering International, Inc. (NYSE:OII) since 2012. Oceaneering, headquartered in Houston, Texas, provides offshore oil companies with underwater drilling support, construction, inspection and repair services. From 1990 to 2012, Mr. Larson served in various roles with Baker Hughes, Incorporated, most recently as noted below:

2011-2012 President, Latin America
2009-2011 Vice President, Operations for the Gulf of Mexico
2007-2009 Gulf Coast Area Manager

Mr. Larson holds a B.S. degree in Electrical Engineering from North Dakota State University and an M.B.A. from Rice University.

Messrs. Best and Larson will stand for re-election to the Board of Directors at our 2014 Annual Meeting of Stockholders. The Board has affirmatively determined that Messrs. Best and Larson are “independent” as that term is defined by the New York Stock Exchange listing standards and the standards set forth in the Corporation’s Corporate Governance Guidelines. Neither Mr. Best nor Mr. Larson have a material interest in any transaction that is required to be disclosed under Item 404(a) of Regulation S-K. There is no arrangement or understanding between Mr. Best or Mr. Larson and any other person pursuant to which he was selected as a director. The committees on which Messrs. Best and Larson will serve will be determined following our 2014 Annual Meeting of Stockholders.

The compensation paid to each of Mr. Best and Mr. Larson will be consistent with the Director compensation for non-employee directors of the Corporation, as described in the Corporation’s 2013 Proxy Statement, filed with the Securities and Exchange Commission on April 24, 2013. A copy of the press release announcing the election of Mr. Best and Mr. Larson to the Board of Directors of the Corporation is furnished as Exhibit 99.1 hereto.

NEWPARK RESOURCES ANNOUNCES BOARD OF DIRECTORS CHANGES

THE WOODLANDS, TX – MARCH 13, 2014 – Newpark Resources, Inc. (NYSE: NR) today announced changes to its Board of Directors. After eleven years of service, and in accordance with the Company’s mandatory retirement policy, Jerry Box, Chairman of the Board, announced that he will retire following the Annual Stockholders Meeting in May. Also, the Company announced that Tony Best and Rod Larson have been appointed to the Board, effective immediately, and will stand for election at the Annual Stockholders Meeting.

Paul L. Howes, President and Chief Executive Officer, stated, “We would like to thank Jerry for his invaluable contributions to Newpark during his many years of service as a director of the Company. During his time on the Board, he served as Chairman of our Compensation Committee and, for the past seven years, as Chairman of the Board, presiding over a period of significant growth in Newpark’s history. His leadership and guidance will be greatly missed.

“We are extremely pleased to announce the appointment of two new members to our Board, Tony Best and Rod Larson. They are both highly qualified, with demonstrated leadership skills and broad experience in the oil and gas industry on both the domestic and international side. Tony has 35 years of experience in domestic and international upstream oil and gas operations, and Rod has over 24 years of experience in global oilfield services including deepwater. We look forward to their contributions to our organization,” said Howes.

Mr. Tony Best joined SM Energy Company in Denver as President and Chief Operating Officer in 2006 and was named Chief Executive Officer in February 2007. In addition to his current role as CEO, he is also sits on the Board of Directors. Between 2003 and 2006, he was the President and CEO of Pure Resources in Midland, TX, where he accelerated that company’s growth and profitability during his three year tenure. From 1979 through 2000, he served in varying roles of increasing responsibility at Atlantic Richfield Company (ARCO), with his most recent position being President ARCO Latin America. After ARCO was acquired by BP in 2000, he was an independent consultant from 2000 through 2002. Mr. Best holds a B.S. in Mechanical Engineering from Texas A & M University and an M.S. in Engineering Management from the University of Alaska.

Mr. Rod Larson has been Chief Operating Officer of Oceaneering International, Inc. since 2012. Previously, he served for 22 years at Baker Hughes, Inc. in various positions of increasing responsibility, most recently as President, Latin America. Also, while at Baker Hughes, he served as Vice President, Operations for the Gulf of Mexico and as Deepwater Business Development Manager. From 1990 to 1998, he was with Western Atlas, Inc. (which was acquired by Baker Hughes) as operations manager and field engineer in the U.S. and Venezuela. Mr. Larson holds a B.S. in Electrical Engineering from North Dakota State University and an M.B.A. from Rice University.

Newpark Resources, Inc. is a worldwide provider of drilling fluids, temporary worksites and access roads for oilfield and other commercial markets, and environmental waste treatment solutions. For more information, visit our website at www.newpark.com.
